TERMS OF WARRANTY

WARM PRO

ADVANCED RECOVERY FOR ATHLETES

AVANUTRI EQUIPAMENTOS DE SAÚDE LTDA grants a warranty for this product for a period of one year. Provided that it has been installed and used in accordance with the guidelines contained in the Instruction Manual and has been used exclusively for its intended purpose.

1. The warranty shall be valid for the period specified above, counting from the date of purchase by the first purchaser/consumer;
2. During the stipulated period, the warranty fully covers labour and parts in the repair of defects duly found to be manufacturing defects. Only a technician from AVANUTRI's Technical Assistance Service is authorised to repair defects covered by the warranty;
3. The consumer has 90 days to report apparent irregularities (defects) that are easily and immediately observable in the product. Parts subject to natural wear and tear, appearance parts and accessories in general are covered by a warranty limited to the legal period of 90 days;

THE WARRANTY DOES NOT COVER:

a) Transport and removal for repair/installation;

b) Customer service, free or paid, in cities that do not have AVANUTRI EQUPAMENTOS DE SAÚDE LTDA Technical Assistance service, with the costs and risks of transporting the device to and from the Technical Assistance Service being the sole responsibility of the consumer;

c) Transport and removal of products that are installed in hazardous locations to the AVANUTRI EQUIPAMENTOS DE SAÚDE LTDA Technical Assistance service;

d) Installation, external adjustments and cleaning services, as this information is containedin the Instruction Manual;

e) Considerations:

AVANTURI EQUIPAMENTOS DE SAÚDE LTDA undertakes, under the terms of this certificate, to repair only products with proven manufacturing defects, exempting itself from any liabilities and other obligations not provided for herein.

Warm Pro is a heat and massage wrap developed with the latest technology. Its uniform and consistent heating, combined with three vibration patterns, provides immediate muscle relief and relaxation, promoting recovery and preventing fatigue.
